May 20th 5th Grade Social

CANCELLED

Regrettably, out of an abundance of caution, Arlington Recreation will be cancelling their May 20th 5th grade dance. As of today three elementary schools have mask requirements with mask recommendations district wide. Arlington Recreation is planning on having their June 10th 5th grade dance and will evaluate the situation as that event approaches. Anyone who has registered for the May 20th event will receive a program credit. **Anyone wishing to receive a refund instead can call Arlington Recreation at 781-316-3880 by May 27.**

We apologize for the late notice but we were monitoring the situation all last week and were waiting to see if the situation improved after the weekend.
