

## ARLINGTON RECREATION

17 Irving Street, Arlington, MA. 02476 • 781-316-3880 • <http://www.arlingtonrec.com/>

## Access & scan your pass

We have switched to digital season passes. There are **4 ways** to show and scan your passes at the gate:

1. Open up your ArlingtonRec.com account on your phone. Go to your activities/registrations/memberships and "View your membership card". Show this to the gate attendant for scanning.
2. Follow the same steps above to view your card. Take a screenshot of the pass and save as a photo to your phone. ( *Never "download to the device"* ). Just pull up your screenshot from your photos whenever you come to the beach for easy scanning.
3. Follow the same steps as #1, but print your membership card. Show your printed pass at the gate for scanning.
4. Come to Arlington Rec Dept. and we can convert your membership passes into "key tags" (similar to a CVS shopping card). Show your key tag at the gate for easy scanning. (You will still be able to access your passes digitally as described in Options 1 - 3.) Arlington Rec is located at 17 Irving Street. Open M-Th 8 am - 4 pm and Friday 8 - 11:30.
